

Paint a mug in support of Coffee Break®

August 2018

Dear Supporter,

Crock A Doodle invites you to raise your mug in support of people affected by Alzheimer's disease in your community. This September you can make your coffee count by hosting a Coffee Break® Pottery Painting activity with your organization.

Crock A Doodle is thrilled to offer Team Painting Events to companies and organizations throughout the community to raise funds for the Alzheimer Society. Your group can paint and play to create your own hand-painted coffee mugs – each as unique as the person who created it. It's a colourful, creative activity that will get your team talking, laughing and having fun. Everyone will end up with their own special mug to enjoy for years to come.

This is how a Team Pottery Painting Event works ...

- **Contact us to book your Team Pottery Painting event – weekday, weekend or afterhours**
- **Host the event at our studio or in your workplace – whatever suits your group**
- **Choose from an assortment of ready-to-paint mugs priced from \$24-\$30 each**
- **Pricing is all-inclusive of pottery, paints, glazing and kiln-firing (taxes extra)**
- **Let us guide you in a fun and memorable pottery painting activity that everyone will enjoy**
- **Make it a true teambuilder – ask us for ideas to engage your group in team painting**
- **We'll glaze and kiln-fire the mugs to a shiny, food-safe finish and return them to your team**
- **Proceeds from the event will be donated to the Alzheimer Society**

Come to us...or we can come to you! Enjoy a special gathering with your group in our bright and beautiful pottery studio or we can bring the fun into your workplace and host the event on site. Minimums apply for on-site bookings, but Doodle to Go kits are available to suit any group size.

The annual nationwide Alzheimer Coffee Break® will launch in September. However, you or your organization can host a Coffee Break® Team Pottery Event at any time throughout the months of September and October.

Please contact me to arrange your Team Pottery Painting Event in support of the Alzheimer Society. Let us help make your coffee count!
